AGENDA ITEM 4: REPORT FROM DISTRICT COUNCILLOR – ALAN SUTTON	
On behalf of County Cllr Richardson, District Cllr Sutton reported that a meeting regarding the A29 had recently taken place. This was very well attended. Negotiations are still underway with the landowner but it is hoped that the road will re-open shortly 2 ways with traffic lights. It was acknowledged at the meeting that the diversion routes had in places been badly signposted and safety remains an issue down Rectory Lane. It is hoped that a 3-phase programme of works will start shortly with the road re-opening, however works will not be taking place on the landowners property. This will mean a further closure of the road later in the year to complete the works to stabilise the bank.	
Cllr Clifford noted that local businesses have suffered tremendously during this time. District Cllr Sutton also reported that County Cllr Richardson has been moving forwards with the speed limit policy and has also been active on reporting potholes and drainage issues. The Parish Council and local residents are urged to continue reporting the potholes and other issues.	
District Cllr Sutton reported that he will be standing for re-election and hopes to retain his seat. District Cllr Sutton thanked the Parish Council for their support over the last 4 years.	
 District Cllr Sutton noted that if necessary he will be red carding the Littleton Farm application and will be speaking broadly in favour of the application as it is aimed at people using the South Downs Way and will also support the DoE award. Coronation Events – it was noted that any live broadcast of the Coronation can be shown without the need for a special license.
